Part 7. General Conditions

1. Duplicate insurance

An **Insured Person** may only be covered under one Well Link travel insurance **Policy**.

If an **Insured Person** is covered under more than one **Well Link** travel insurance **Policy** (which we will call an additional **Well Link travel Policy**), **We** will treat that **Insured Person** as being covered under the policy with the highest benefit level only and that **Insured Person** will not be covered under the other additional **Well Link** travel policy or additional **Well Link** travel policies.

Where the benefits of the additional policy or policies are identical to each other, we will consider the **Insured Person** as only being insured under the policy that was first issued by us. The **Insured Person** will not be covered under the additional **Well Link** travel **Policy** or policies.

Where the benefits of an additional **Well Link** travel **Policy** or policies differ by virtue of the different optional covers that **You** have selected for the **Insured Person**, **We** will allow you to choose which policy you wish to continue coverage under, and the **Insured Person** will not be covered under any other additional Well Link travel policies with us.

We will refund, without interest, any duplicated premiums.

In order to offer **You** continued cover on **Your** annual **Well Link** travel insurance policy, **We** may renew your annual policy automatically at the premium and on the terms determined by **Us**. **You** should be aware that **We** can only consider automatic renewal when:

You may opt out of automatic renewal at any time by emailing **Us** at least 14 days before the expiry of **Your Policy**.

This includes answers to questions **We** ask when **You** apply for a policy, renew, or alter **Your Policy**, and any other matters which might affect whether **We** insure **You** and on what terms.

We use the information **You** give **Us** to decide whether to insure **You**, or anyone else, so it is important **You** understand this when **You** are answering our questions for yourself and for anyone else who **You** want us to cover.

If **You** do not answer **Our** questions fully and truthfully and do not disclose all relevant information to us, then **Your** claim could be reduced or refused (either totally or in part). **We** may even cancel **Your** policy and treat **Your Policy** as never having existed.

You must inform us immediately of any changes in the information **You** have given us previously. If **You** do not, **You** may not receive any benefits under **Your** Policy on any claim and/or **We** may cancel **Your** Policy. In addition, **We** may also seek to recover any costs **We** have incurred.

3.4 Misstatement Of Age

If at any time **We** discover that any **Insured Person** has misstated their age with the result that they would not meet **Our** age eligibility requirements and as a consequence would not

have been eligible for cover under **Your Policy**, then **Your Policy** will be automatically void and no benefit shall be payable. **Our** liability shall be limited to a refund of the premium paid without interest.

Your insurance premium will be shown on **Our** certificate of insurance and **You** must pay your premium directly to **Us** by the due date specified in the relevant confirmation sent by us to **You**.

Where **You** are paying **Your** premium in full, then if the total premium is not paid and received in full by us on or before the start date, the **Policy** will be deemed to be immediately and automatically cancelled and no benefits will be payable by **Us**.

Any premium payment received after the start date shall have no effect on the cancellation of **Your Policy**.

Any premium payment received after the specified due date shall have no effect on the cancellation of **Your Policy**.

All payments for any insurance products, renewals, or other services purchased via our website must be paid in full by the due date specified in the relevant confirmation.

Unless otherwise provided for, all payments are required to be made by **You** using a type of credit card accepted by us at the time of purchase or renewal of the applicable insurance policy. **You** must therefore provide to **Us** through **Our** website, details of **Your** current and valid credit card, including:

We will refund to **You** or collect from **You** the **Premium** if the difference or aggregate **Premium** calculated from **Your** requested date plus notification period (if applicable) exceeds the amount of \$50.

The changes **You** request will only take place when **We** have confirmed them and **You** have paid the required additional **Premium**. Failure to provide the correct information of any changes to **Us** could adversely affect **Your Policy** including the invalidation of **Your Policy** or claims being rejected or not fully paid.

....by Us

We may change the terms and conditions of **Your Policy**, including the **Premium** payable. **We** will notify **You** of any changes at least 7 days before such changes become effective.

We may also change any terms and provisions under **Your Policy** upon renewal, such that the change will be effective from the next **Period of Insurance**. **Your** continued payment of the **Premium** after **We** have given **You** notice of any changes to **Your Policy** will mean that **You** have accepted such changes.

4.2 Policy cancellation

Both **You** and **We** may cancel **Your Policy**

a) if it is a **Single Trip Policy** at any time prior to commencement date of the **Policy**. But if **You** are the party to raise the cancellation, **We** will charge you an administration fee of \$100 subject to adjustment as may be displayed at **Our** website at the time of cancellation.
